

# THE ARCADIA

HOTEL SUPPLIES

## Who we are

Owing to our rich operational expertise for over 20 years, we understood the need of a professional hotel supplier who really can comprehend the needs of hoteliers. We had mastered the art of sourcing the right product from right vendor at right price during our own hotel project and while working closely with renowned hotel consultants across the Nation.

We also enjoy good relations with our overseas partners who specializes in project sourcing.

## What we do

Keeping in mind the varied and diverse requirement of hotels, we provide a flawless range of products according to the latest trend prevailing in the industry. We ensure in working intimately with reputed manufacturers for each product line. Due care and inspection process ensures the products only with best quality being delivered to our customers.

Customer satisfaction is the core of our corporate policy and providing our esteemed customers the best value for their money is our commitment. Our large warehouse and storage facility enable us to deliver wide range of products at short notice.

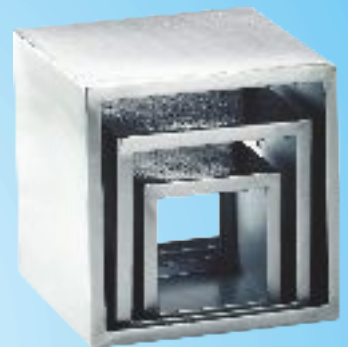

Added to this is the convenience of choosing from our regularly updated online catalogue and hassle free door delivery.

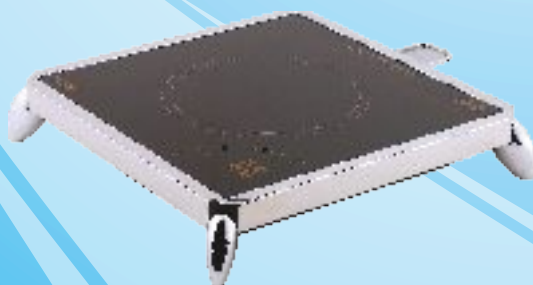

# Food & beverage
